Sometimes a single key unlocks more than a door – it opens a gateway to hope, comfort, and new beginnings. For hundreds of families in Hong Kong, that moment arrived recently as they stepped into their new homes at the latest Light Public Housing (LPH) sites in Sheung Shui and Kwun Tong.

Chevalier Property Management Ltd (CPML), in partnership with Sik Sik Yuen, has secured the management contract for Hong Kong's first school-converted LPH projects – an innovative initiative addressing pressing housing needs. With more than 400 units across four sites, CPML is helping to improve living conditions for families awaiting traditional public housing. This achievement highlights CPML's dual commitment to professional property management and enhancing community well-being.

A Warm Welcome for New Beginnings

Two sites, at Choi Yuen Road in Sheung Shui and Shun On Road in Kwun Tong, have officially commenced first-phase intake. At the intake ceremony on 24 November, Ms Winnie Ho, Secretary for Housing, and Mr Victor Tai, Under Secretary for Housing, personally presented keys and housewarming gifts to the first occupants, celebrating a meaningful milestone for these families.

Managing with Care and Purpose

CPML's role in LPH management goes beyond standard property management operations. CPML also oversees ancillary facilities such as activity spaces and convenience services – all designed to meet residents' daily needs. At the same time, CPML is implementing on-site social support programmes, including resident employment initiatives that empower tenants to take up front-line roles such as security and cleaning, and thus enable them to contribute to and support their own community.

With professionalism, care, and innovation, CPML stands committed to helping families begin their next chapter with confidence – and truly thrive.

Mr Mok Ho Fung Clive and Mr Pun Yiu Wai from the Lift Maintenance Department of Chevalier (HK) Limited (CHK) were nominated by the Government's Electrical and Mechanical Services Department to participate as specially invited representatives of Hong Kong in the final of the 2025 National Ankang Cup Safety Skills Competition for Special Equipment Operators held in Haining, Zhejiang Province. The event was co-organised by the State Administration for Market Regulation and the All-China Federation of Trade Unions. During the competition, the two representatives had in-depth discussions with industry leaders from across the country and shared practical experience on the safety operations and maintenance of lifts and escalators. Owing to differences in regulations and standards between Hong Kong and Mainland China, the Hong Kong representatives' results were not included in the official rankings. Nevertheless, our CHK colleagues approached the competition with a proactive and dedicated attitude, committing themselves fully to the preparation and competition process.

Participation in this event not only signifies professional recognition for CHK's expertise in lift and escalator engineering but also demonstrates the high regard for the technical standards and safety culture within Hong Kong's lift and escalator industry.

Mr Donald Tong, Executive Director of VTC (left) presents Certificate of Appreciation to Mr Oscar Chow, Vice Chairman of the Chevalier Group (right).

其士集團一直深信培育人才是行業未來發展的關鍵。自2018年起，集團以此信念成立並持續推行「其士集團獎學金」。於2025年8月舉行的頒獎典禮上，其士集團向40位來自職業訓練局(「職訓局」)的優秀工程學生頒發2024-2025學年獎學金。獎學金計劃至今已踏入第七年，累計支持280位學生在學術與專業道路上邁步向前。

Chevalier Group has always believed that nurturing talent is key to the future of the industry. Guided by this conviction, the Group established the Chevalier Group Scholarship in 2018 and has been steadfastly supporting it ever since. At the recent Scholarship Presentation Ceremony – a gathering filled with hope and inspiration – the Group awarded scholarships to 40 outstanding engineering students from Vocational Training Council (VTC) for the 2024-25 academic year. This marks the seventh year of the Scholarship, with a remarkable 280 students now supported on their academic and professional journeys.

其士集團主席郭海生先生及副主席周維正先生與當日出席學生互動交流。
Chevalier Group Chairman Mr H S Kuok and Vice Chairman Mr Oscar Chow interacted with the attending students.

今年的頒獎典禮邀請了現屆及歷屆得獎學生分享他們的成長故事，講述獎學金如何為他們開啟機遇、燃點抱負，讓潛能化為成就。其士集團主席郭海生先生表示：「建造業正處於深度轉型之中，從傳統建築模式，逐步邁向以MiC、BIM等創新科技為核心的現代建築方式。我們很高興看到職訓局同學透過了解集團項目，深入掌握這些技術的發展趨勢與潛力，為未來職涯奠下堅實基礎。」

紮根香港55年，其士集團深明人才乃行業發展的基石。為展現其致力培育工程新秀、推動建造業未來發展的長遠承諾，集團每年為獎學金計劃投放100萬港元。目前，計劃已涵蓋11個工程相關學科，讓更多學生受惠。獎學金計劃亦不僅限於經濟支援，集團同時舉辦技術交流活動及實地參觀考察等活動，協助學生獲得實務經驗，提升行業所需技能。

展望未來，其士集團將繼續與職訓局緊密合作，深化人才培育項目，並探索更多合作可能。郭先生續道：「在嘉許本年度得獎同學之際，其士集團將繼續堅守使命，培育引領香港工程界未來的專業人才。透過獎學金，我們不止表揚學術成就，更在建立一個未來領袖的社群，攜手將建造業推向新高。」

This year's ceremony featured heartfelt experience-sharing from present and past awardees, whose ambitions have been shaped by the opportunities the Scholarship opened for them. Their stories served as a powerful reminder of how the right support can transform potential into achievement. Mr H S Kuok, Chairman of the Chevalier Group, explained, "The construction industry is undergoing a deep transformation, shifting from traditional building methods to modern approaches centered around innovative technologies such as MiC and BIM. We are delighted to see VTC students gaining invaluable insights into our Group's projects, helping them understand the development trends and potential of these technologies and laying a solid foundation for their future careers."

Rooted in Hong Kong for 55 years, Chevalier Group recognises that talent is the cornerstone of industry development. The HK\$1 million dedicated annually to the Scholarship scheme reflects the Group's long-standing commitment to empowering the next generation of engineers and strengthening the future of the construction sector. Today, the Scholarship covers 11 engineering-related disciplines, enabling more students to benefit from the programme. It has also grown into far more than financial assistance. The Group organises technical exchange activities and site visits, ensuring students gain real-world exposure and industry-ready skills.

Looking ahead, Chevalier Group will continue to work closely with the VTC to enhance talent development initiatives and explore new avenues for collaboration. Mr Kuok continued, "As we celebrate this year's scholarship recipients, the Chevalier Group remains steadfast in its mission to cultivate skilled professionals who will shape Hong Kong's engineering future. Through these scholarships, we are not merely rewarding academic excellence – we are building a community of future leaders committed to taking the construction industry to new heights."

其士集團早前參與由建造業議會舉辦的「建造業愛山惜灘行動」。即使當日天氣不穩，義工們與小朋友仍然風雨無阻，齊心清理馬鞍山海星灣的垃圾。

這次行動不僅讓海灣重現潔淨美麗，更以實際行動展現了集團對生態保育與可持續發展的承諾。

平凡中的耀眼之星 Shining a Light on Unsung Heroes

茶水間的守護者

Guardian of the Pantry

梅姐在集團總部擔任茶水助理近二十年，無論是每天準備及清理茶水間的日常，還是於早上及下午為同事及賓客送上每一杯溫暖的茶水，她始終帶著溫暖笑容，以專注的熱忱恪守崗位。這些工作看似細微平凡，卻是不可或缺，令辦公室氛圍舒適又安心。

For nearly twenty years, our tea lady Mui Jeh has served at the Group headquarters with unwavering dedication. From keeping the pantry clean and ready, to delivering each cup of warm water to colleagues and guests every morning and afternoon, she carries out her role with passion, devotion, and a warm smile ever present. These tasks may appear ordinary, yet they are indispensable in creating a comfortable and reassuring workplace.

訪談中，可以感受到梅姐的細心體貼，她總是比其他人早到崗位開始工作，避免影響同事使用茶水間，她將大家的喜好默默記在心中，也從不猶豫主動幫忙。

In our conversation with Mui Jeh, her kindness shows in small but meaningful ways. She always arrives earlier than required to ensure her work is completed without disturbing others, remembers who prefers hot coffee over warm water, and never hesitates to go the extra mile.

提起工作多年來的難忘經驗，梅姐想起疫情前的股東周年大會出席人數眾多，位於公司總部的大會會場總是人聲鼎沸。於周年大會與其他茶水助理負責茶水及點心招待的梅姐為避免手忙腳亂，她總是提前幾天開始準備，檢查杯具是否齊全、飲品及點心是否足夠，連桌布是否亮麗整潔都一一確認。大會當天，她會比平常更早到達公司準備，大會舉行時與同事們分工合作，隨時因應現場情況靈活地作出調整，有條不紊地為股東送上茶水及點心。工作雖然瑣碎，卻讓整個大會得以順利進行。對梅姐而言，既是一種挑戰，也是一份滿足。

Recalling her most unforgettable work experiences over the years, Mui Jeh thinks back to the pre-pandemic Annual General Meetings, when attendance was large and the headquarters venue was always bustling with energy. Together with other pantry assistants, she was responsible for serving drinks and refreshments. To avoid being overwhelmed, she would begin preparations several days in advance, checking pantry supplies, and even making sure the tablecloths were spotless. On the day of the meeting, she would arrive earlier than usual to get ready, and work closely with colleagues during the event, swiftly adjusting to situations while serving shareholders with care. Though these duties may seem trivial, they were essential to keeping the entire event running smoothly. For Mui Jeh, it was both a challenge and a source of deep satisfaction.

梅姐的工作態度，正如集團裡許多默默耕耘、誠摯服務同仁一樣，都體現了真正的英雄往往存在於日常之中。

Mui Jeh's contribution echoes the quiet dedication and heartfelt service of many colleagues across our Group, reminding us that true heroes are often found in everyday life.
